

The logo consists of four large, stylized characters: 'r', 's', 'D', and 'a'. The 'r' and 'D' are rendered in a grey color, while the 's' and 'a' are in a dark blue color. Below these characters, the words 'DIGITAL' and 'SYSTEMS' are written in a smaller, grey, sans-serif font. The 'S' in 'SYSTEMS' is partially obscured by the 'D' above it. A small blue square is positioned at the end of the 'a' character.
